## CHAIRMANS CHAT

It hardly seems any time at all since I was writing the chat for the July Solent Waves, but I've received the September edition and its timeto write the chat for the October one. I hope you've all had a good summer break. It will certainly be a summer to remember, even if only for the lack of rain and yellow lawns!

The committee has arranged a full programme of workshops for the season, all at Soberton village hall as usual. The full programme is given elsewhere in this edition. Don't forget to bring your membership card with you, otherwise you will have to pay a slightly increased cost.

For all of you who have got rusty, forgetful or lazy over the summer, the first workshop will be very useful - Dance Technique with Brian Jones, with music by Pete Hall. This will help to get that polish into your dancing, which improves both your style and enjoyment. I certainly need it and will be there.

Finally, a reminder that the tickets for the Playford Dance on November 3rd are limited, so if you haven't yet obtained yours, you should do so without delay. These are available, if any are left, from Yvonne.

## NEW FOREST NEWS

Shortage of membership has meant that both the Knightwood Oak and Knightwood Acorns display teams have had to spend the summer in hibernation. A strange time, one might think, for the formation of a new Morris team. This very thing has happened, as a result of the inspiration of New Milton based Rod Sones, New Forest Meddlars have taken shape and already this three month old team has performed in public on three occasions.

So far, the rule has seemed to be 'no rules in particular', this philosophy may have contributed to a healthy membership, both male and female and a liberal attitude to the type and style of dance attempted. To date, the traditions studied vary from Cotswold to North West taking a broad view, geographically, in between.

However, with the first AGM now over, there follows a winter of consolidation with both future aims and a constitution agreed.

Fun is not least of the aims and a warm welcome is assured for any wishing to join in at the Games Room, Wheatsheaf Hotel, New Milton every Tuesday evening.

EDITORS BRIEF NOTE

This issue sees the completion of our seven years as editors of this newsletter. We did not really think that when we started with the November issue in 1983, we would still be involved in 1990.

There are plenty of good things advertised in this issue - we hope that there is something there to interest you!

We are always pleased to receive newsy items about your clubs, special events, etc.

### HALSWAY NEWS FROM CAROL ROBERTS

The Halsway Christmas Fair will take place at the Manor on Sunday, 18th November. Since Halsway Manor is now in its 25th year as the only residential Folk Dance and Music centre in the country, it is hoped to make the fair an especially good one.

If anybody has any items which could be sold on the stalls or used as Tombola prizes, the Friends of Halsway Manor would be grateful to receive them.

Carol will be visiting Halsway several times before the Fair, and would be happy to take any donated items.

Carol also have Christmas Draw Tickets - any willing sellers, please contact Carol on 0489-895364.
